

REMARKS

Claims 1-5 and 8-14 are all the claims pending in the application. The Examiner notes in the Advisory Action that there is no indication that the display devices of the present invention are two, separate physical display devices. Solely to advance prosecution for exemplary embodiments of the present invention, the claims have been amended to recite embodiments where the display devices are physically separate.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
